On Sept. 16, Coppell Lions Club hosted its 4th annual Wine Tasting event at the Frontiers of Flight Museum.

Over 150 people tasted wines from across the world including wines from Italy, New Zealand, Australia, France, Germany and Spain.

A silent auction was held featuring about 30 items including wine baskets, gift cards and an in-home wine tasting experience.

The event raised nearly \$13,000 to benefit the Texas Lions Kid Sight USA Foundation, The Texas Lions Camp and the primary Care Clinic of North Texas.

The Wine tasting was huge success for the Lion's club and the Lion's club is thankful to all the sponsors, their fellow Coppell Lions and silent auction donors who all helped to create a successful event.
